INTERNSHIPS

Scaler School Of Technology (SST)

Mode : Online

I completed a 10-week Young Innovators Internship Challenge 2024 at Scaler School of Technology. During this program, I explored different types of AI, developed no-code websites, and built chatbots, gaining valuable insights into modern technology trends.

Briztech Infosystem Pvt.Ltd

Location : Ranchi

I interned at BrizTech Infosystem Pvt. Ltd. gaining hands-on experience in frontend development. I worked on responsive designs and dynamic interfaces.

PROJECTS

Authentication using Firebase.

I developed a user authentication system that allows users to log in using their Google accounts or anonymously as a guest. This project features a login page that displays the user name and profile photo after authentication. You can explore this project in detail by visiting my authentication project.

EDUCATION

I completed my 10th grade from Vidyasagar Uchcha Vidyalaya with **81%** marks. I have always been passionate about computers and started learning coding since class 8. My journey began with basic programming, and over the years, I have explored modern technologies like HTML, CSS, JavaScript, and React. I am eager to apply my skills and continue growing in the tech field.
